URBAN LOGO PANEL SPECIFICATIONS & PRICING

All materials shall meet Arizona Department of Transportation (ADOT) specifications. All logo panels must be fabricated from .080 5052-H38 aluminum and covered with ASTM Type XI diamond-grade 3M prismatic reflective sheeting. All graphics are silkscreened.

Payment is required in full at time of order. For your convenience, we accept VISA, MasterCard, American Express and Discover. Applicable sales taxes will apply.

Prices shown are for logo signs fabricated by Grand Canyon State Logo Signs and include installation costs. Logo signs provided by customers must meet all ADOT fabrication specifications and will be charged an up-front fee of \$135.00, plus tax, per logo panel installation. Grand Canyon State Logo Signs is solely authorized for all logo panel installations and removals.

Grand Canyon State Logo Signs may reformat customer supplied art files for logo sign graphics, upon request and at no additional cost, for up to two hours design time. Preferred file formats are Adobe Illustrator, PDF and Corel Draw. If required, additional design time exceeding two hours will be invoiced at the rate of \$150.00 per hour.
